If you have to be well informed on savings and investment schemes you need 'Money Management'

'Money Management and Unitholder' **is the magazine specially for those who need to be regularly informed about savings and investment schemes.**

Each month it brings you up-to-date on what is happening with unit trusts, property bonds, equity-linked life assurance, national savings, investment trusts and building societies. In particular, it provides *each month* a comprehensive record of their comparative investment performance.

Money Management **examines the fresh developments taking place and pinpoints the good and bad aspects of newly introduced schemes. It tells you the tax advantages and gives the basic guidance on how to choose the right investment to suit individual needs.**

For anyone — stockbroker, insurance broker, bank manager, solicitor, accountant, pension fund manager, company secretary—who has to have a constant source of reference on savings and investment schemes, *Money Management* is essential reading. And, of course, it is also invaluable for those who have some of their own money invested in these funds. A year's subscription costs £5.

JUST OUT.

Completely revised and up-dated, *Equity-linked Assurance* gives detailed information on no fewer than 80 different equity-linked life assurance savings plans. The only publication which covers them comprehensively, it has been designed to make easy comparison between the many different schemes available. It costs £1·50.

SAVE £1.

By placing an order NOW for both a 12 months' subscription to *Money Management* and a copy of *Equity-Linked Assurance* you get them for only £5·50 — a saving of £1. So use the coupon below to take advantage of this special offer NOW.
